

# 2018 REGIONAL INDUSTRY SEMINARS

NYSNA is offering Regional Industry Seminars for the next school year. All the companies doing direct diversion in New York have been invited to show the commodity options which will be available for the schools to choose for next school year. While the focus will be on commodities, all corporate members are invited to participate and welcome your attention to their products & services. Processors have been asked to provide prepared, cooked samples of the exact commodity items listed on the survey forms, labeled with the code you will need for ordering purposes. *This is a good opportunity for you to bring your management team however, this is not a "food show" open to all levels of staff.* December can mean bad weather and if schools are closed, the seminars may be re-scheduled.

Please check the website for information: [www.nyschoolnutrition.org](http://www.nyschoolnutrition.org)

**TO REGISTER:** Fill out the registration information required (**one per person**)
